4-H Report

Cohasset 4-H has been laying low since the beginning of the year. The omicron variant and family tragedies have really hit us hard. However, we are looking forward to a brighter spring.

With that in mind, we are bringing back our formerly annual Soup Sale fundraiser on April 10th and participating in the Chili Cook Off on April 30th. Our projects are moving ahead and the kids are looking forward to showing and selling their rabbits or swine at the Silver Dollar Fair.

The Soup Sale, April 10th, 11 a.m.-2 p.m. is our largest fundraiser. The proceeds go to fund our projects. We really appreciate the support of the community at this event. We will have various soups designed to meet everyone's dietary preferences. We will be serving at the CCA and offering to-go options. We hope to see you there.

We are already looking at recipes and planning our booth decorations for our Chili Cook Off entry. It's going to be a great party and we are proud to be a part of it once again.

Great News! We are going to have multiple free days at the Butte County Landfill for our yard waste again this year. Here is the flyer the provided by Neal Road Recycling and Waste Facility. Please note that the trees and branches are limited to no more than 24” around. This is because they have a new air burner and if the trees or branches are larger than 24” around, they do not burn correctly. Butte County Public Works will also be bringing up a container to allow residents that are not able to get to the Landfill an opportunity to get rid of their yard waste. As soon as I have the details, I will let you know.

Take care and be safe,
 Maggie Krehbiel, Chair
 Emergency Preparedness Committee

Emergency Evacuation Checklist

Get set!

If you feel threatened, evacuate!

Home Evacuation Checklist – How to Prepare for Evacuation

Prepare for Evacuation

- ▲ Alert family and neighbors.
- ▲ Dress in appropriate clothing (i.e. clothing made of cotton or wool and work boots). Have gloves, goggles, a dry bandana and dust mask handy.
- ▲ Grab your Go-bag and add last minute items.
- ▲ Check official social media sites, tv stations, local radio and the emergency phone numbers on page one of this plan.
- ▲ Drink plenty of water and prepare your family and pets.

Inside the house

- ▲ Shut all windows and doors, leaving them unlocked.
- ▲ Remove flammable window shades and lightweight curtains. Close metal shutters.
- ▲ Move flammable furniture to the center of the room, away from windows and doors.
- ▲ Shut off gas at the source (meter or tank). Turn off pilot lights.
- ▲ Leave your lights on so firefighters can see your house under smoky conditions.
- ▲ Shut off the air conditioning.

Outside the house

- ▲ Put your Go Bag in your vehicle.
- ▲ Back your car into the driveway with vehicle loaded and all doors and windows closed. Carry car keys with you and have a spare. Leave gates open for access.
- ▲ Check on neighbors and make sure they are preparing to leave.
- ▲ Gather up flammable items from the exterior of the house and bring them inside (patio furniture, toys, door mats, trash cans, etc.) or place them in your pool.
- ▲ Turn off propane tanks.
- ▲ Move propane BBQs and appliances away from structures.
- ▲ Connect garden hoses to outside water valves or spigots for use by firefighters. Fill water buckets and place them around the house.
- ▲ Don't leave sprinklers on or water running, they can affect critical water pressure.
- ▲ Leave exterior lights on so your home is visible to firefighters in the smoke or darkness of night.
- ▲ Have a ladder available and place it at the corner of the house so firefighters can quickly access roof.
- ▲ Seal attic and ground vents with pre-cut plywood or commercial seals.
- ▲ Patrol your property and monitor the fire situation. **Don't wait for an evacuation order if you feel threatened.**
